

HI AND WELCOME IN OUR HOUSE!

We hope that you've had a safe trip.

We are so glad having you in our house and we hope it feels like you own for the next couple of days! But first have a seat, get a cup of tea, a stroopwafel (from the giftpack) and relax.

Kind regards,
Benjamin, Kim, Zoë & Indra

PASSWORDS & INSTRUCTIONS

Let's begin with the most important information (according to our kids ;), the passwords

Wifi :
Netflix :
Videoland :

If you have your own Netflix account we prefer you to use that and you can easily change it on the television.

You can find all instructions manuals of the electrical equipment in the most left drawer in the kitchen.

NEED TO KNOW

- The kitchen; just pull open the doors and drawers. In the scullery right next to the dresser behind the door is the was-machine and dryer. Toilet-paper and kitchen towels can be found in the kitchen right under the sink. We left you some cold drinks in the fridge and bread in the freezer so you don't have to go do groceries right now.
- Storage-room: you are welcome to use all food and drinks that we have in the storage room.
- The living-room; in the dresser (behind the right door) you'll find glasses. Cups can be found in the kitchen. Behind the second door of the left you can find some games and puzzles for the kids.
- The 'dining-room'; in the dresser behind the 2 middle doors are all kinds of things for the kids (paint, clay, beads).
- The bath-room; you'll find towels and amenities in the closet
- The 'master' bedroom; The drawers at Kim's side of the closet are empty and for you to use.
- Indra's room: you are welcome to use all toys in his room, but please don't use the PS5. The couch is a sleeping couch and you can find linnen in his closet.

- Zoë's room: we've emptied the linnen closet, so you can store your clothes.
- The home office: you can just plugin your laptop, connect it to the wifi and you are good to go. I like to work with 2 screens, but you can also switch one off if you want.
- The garden; the door of the garage to the garden needs a big push, otherwise it doesn't open. Only for this door you need another key, the rest opens with the key that we gave you.
- We have 1 garbage container (grey with blue lid), This one gets emptied every other Monday (week 27-29-31-33 and so on). Could you please make sure you put it on the street on Sunday evening, because sometimes they'll come very early in the morning?
Thanks!
- Bikes are in the garage which you are welcome to use.
- If you have any problems with the car you can call our friend He owns a garage.
- If you are having trouble with the electricity, you can find the fuse box in the storageroom.

SHOPPING

Supermarkets are open following the below schedule:

Monday till Saturday	08.00-21.00
Sunday	09.00-20.00

The supermarket closest to our home is called Albert Heijn.

If you go right when you leave the door and at the end of the street right again (this street is called Boekeloseweg) you will see the stores at your left.

If you want to go to the towns centre you'll have to follow the Boekeloseweg) just go straight on and within 10 minutes you will see the town centre. There is a farmers market on Wednesday and Saturday in front of the train station.

PUBLIC TRANSPORTATION

Trains

The Netherlands has over 400 train stations, so you can reach nearly any destinations.

The train station in Hengelo is just a 10 minute walk from our home and the train brings you within 2 hours to Amsterdam.

You can check the schedule on [here](#) and also buy your tickets online.

Please note that kids under 12 years old only pay € 2,50 for a return ticket.

Bus

Honestly, we haven't taken the bus for ages as more and more bus stops disappear, so it isn't easy to get from A to B anymore. Therefore we recommend that you take the train if you want to use public transportation.
